

Host Summer – CC

5/29 myosin complex

p < 0.001

40/582 plasma membrane region

p < 0.01

3/22 intraciliary transport particle

p < 0.05

5/82 peptidase complex

Up-regulated

12/95 endoplasmic reticulum protein-containing complex

Down-regulated

10/213 transferase complex, transferring phosphorus-containing groups

6/59 respiratory chain complex

13/92 cytosolic ribosome

2/28 spliceosomal tri-snRNP complex
